Class Teacher: Mrs Cassie Lawson

Teaching Assistants: Mrs. K Thompson, Miss. K Taylor and Miss S Bolton

Summer Sunshine

We encourage children to apply sun cream before school, and on days when the sun is particularly strong, pupils will be asked to reapply sun cream before break times. **All** pupils must have their own labelled bottle of sun cream which can remain in school, a hat/cap and a drinks bottle.

Class Novel

This term the class will enjoy listening to the novel 'To the Edge of the World', a beautifully written tale of courage, friendship, and survival. Alongside this, pupils will be encouraged to read a variety of fiction and non-fiction texts from the school Library Service. Texts will be linked to our topics on Geographical Skills, Sound and Fitness.

Outdoor Learning

We will be resuming outdoor learning this term as the weather improves. Outdoor learning will take place on a Monday afternoon with Miss. Taylor and Mrs. Thompson. Pupils will be learning survival skills, creating natural artwork, gardening, and completing mathematical challenges. Please ensure your child has appropriate outdoor footwear and coats/hats appropriate for the weather conditions.

Summer Term Trips

There are lots of exciting trips taking place this term. Please take note of the following dates:

Friday 6th May – Whole School Visit to Beamish
Monday 13th June – KS2 Big Sing
Wednesday 13th–Friday 15th July – KS2 Residential

Further information to follow via ParentMail.

Homework and Reading Club

There are an increasing number of pupils who are failing to complete the weekly reading and homework activities. Homework activities and reading play an important part in your child's development. I understand that on occasions some weeks are very busy. Therefore, I offer a homework session on a Monday lunch for any pupils who are struggling to complete activities at home. If you anticipate difficulties supporting your child, please encourage them to attend the session or one of the afterschool homework clubs.
